Old Bridge in Terrasson-Lavilledieu, South West of France

Concepto illuminates the stone-made Old Bridge in Terrasson-Lavilledieu.

2 types of linear wall projectors, including the 5650-Clem and 5655-Lignon, illuminate from top to bottom the bridge, and are installed on the parapets.

All linears are installed every 40cm along th bridge on both sides.

Contracting authority: City of Terrasson-Lavilledieu and SDE 24
Lighting designer: Concepto
Installer and photos: Darlavoix
