A constellation in the heart of Les Ulis

Les Ulis town centre lit up by a constellation

As part of the renovation of Les Ulis town centre, an esplanade with a constellation of lights, fronting the Boris Vian cultural space since the end of 2017; highlighting the streets and public amenities of its town centre.

Designed by the lighting artist Yann Kersalé and his team, this constellation lights up every evening, using opalescent monochrome LED marker lights.

Contracting Authority: Sorgem

General Contractor: Daquin & Ferrière Architecture

Lighting Design: SNAIK Atelier Yann Kersalé Light Art

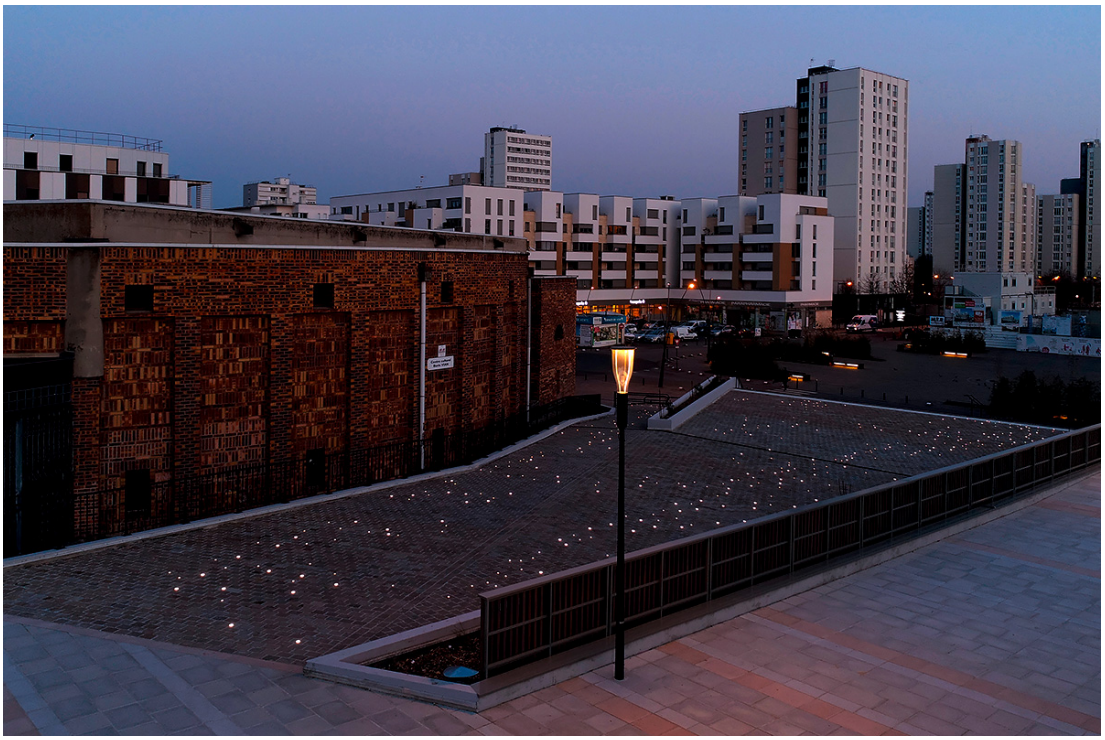

Engineering: CET and SETU (road & infrastructure engineers)

Landscape design: Yves Deshayes

Installer: STPEE

Les abords de l'Espace Culturel Boris Vian sont à la fois joliment mis en valeur et sécurisés.
