

Entrance "Enfants du Rhône" in Lyon

The City of Lyon wanted to up-light the park of the Tête d'Or main entrance located in the 6th district of Lyon.

The recessed in-ground [5620 Brunei] lightbar up-lights the entire length of the grid. Two adjustable [5712 Albi] spotlights were installed at the bottom of each of the six pillars. The [4130BS Vulcano] spotlight is integrated into each lamp, whilst the [4040 Luminy 4] spotlights, that are hidden at the top of the pillars, up-light the front of the main door.
