La Cride: Inter-community water-treatment plant, Sanary-sur-Mer & Bandol

To mark the pathway of the water-treatment plant while keeping the view of this preserved area, 55 sidewalk mark-lights 1836-CE4 Ville de Paris, with an elliptical optic opened at 100x12° East, were installed every 8 meters all along the path.

Client: Syndicat inter communale de BANDOL - SANARY
Specifier: ACE Michel NEREAU Six-Fours-les-Plages
Installer: CEGELEC La Seyne-Sur-Mer
Photos: LEC
